

### Build an indoor or outdoor den.

It could be a majestic hidden castle, mysterious bear cave or a magnificent space rocket.

Let your imagination run wild!

*Parents- Den building offers a range of advantages to children of all ages, from physical development to problem solving skills.*

### Painting With Ice!

What you need:

- ★ 1 cup of water
- ★ Food colouring
- ★ Lollipop sticks
- ★ Ice cube tray

<https://www.easypeasyandfun.com/painting-with-ice/>

### Blowing Bubbles!

See the instruction sheet below to make your bubble mixture.

Have fun!

## Activities for the **SUMMER** mid-term holidays!

### Make Homemade Lemonade

See the recipe and instructions sheet below.

*Parents- This activity can support your child to gain a range of skills, especially in Maths.*

### Bake Off!

With an adult choose a recipe to bake something.

<https://www.bbcgoodfood.com/recipes/collecion/kids-baking>

*Parents- Following a recipe helps children to learn to read for a purpose and follow instructions.*

### Go on a treasure hunt!

Get your adult to hide a range of similar objects (treasure) in your garden or home for you to find, count and order.

*Parents- You could link number bonds 10. For example, I hid 10, you have found 4. How many more you need to find?*

## Blowing Bubbles

### Bubble Mixture

Use one large cup of washing-up liquid and pour in two large jugs of water. Mix in a large bowl.

### Ideas for bubble blowers

- Colanders
- Bend wire coat hangers into shapes
- Tea strainer
- Slotted spoons
- Sieves

## Home made Lemonade

### You will need

3 lemons; 1 litre of water; sugar to taste; a chopping board; a sharp knife; a funnel; a measuring jug; a large jug/bowl; a sieve; a blender.

### What you do

Wash the lemons and chop each into 8 pieces. Put the lemons into the blender and add some of the water. Blend until the mixture is smooth. Pour the mixture into a sieve and let the juice drain through, by pressing it with the back of a spoon. Add some sugar to taste and the remaining water. Pour the lemonade into a bottle using a funnel.

## Idea!

### Ice Cube Lollies

Place some lemon flavoured sweet lollies into an ice cube tray and top up with your lemonade. Put them into the freezer over night and you have ice cold, fruity lemonade lollipops!

Store the lemonade in the fridge and use within 2 days.
